

Circular Safety Screens

Sustainability starts with design

R-Go Hygienic safety screens are circular designed and protect you and your colleagues:

- 1. SAFETY BARRIER**
Creating a safety barrier of 100 x 70 cm between you and others.
- 2. REPLACEABLE**
Replaceable screen of PETG in aluminium frame (screen is also separately available).
- 3. FITS OUR R-GO MONITOR ARMS**
The screen is also compatible with any VESA-compatible monitor arm.
- 4. HEIGHT ADJUSTABLE**
Adjustable in 6 positions for protection at every height.
- 5. SMALL PACKAGE**
Rolled up packed in a small box of 13 x 13 x 82 cm.

100% recyclable

The screen is 100% recyclable and has a lifetime recycle guarantee.

Hygienic Safety Screens

SAFE SCREEN USAGE

With COVID-19, the need has arisen to create safe workplaces where we need to be at safe distance from another, in order to lower possibility of infection. Whether you are working behind a counter, in an open office or at a duo workspace, our hygienic screens offer a safe solution everywhere. The R-Go Hygienic Safety Screen will not only help you enforce social distancing guidelines, but it will also create an overall cleaner and safer environment.

CUSTOMIZE YOUR MONITOR ARM SETUP

Our Hygienic Safety Screens are modularly designed and fit with our R-Go Caparo 4 and Zepher 4 monitor arms. Build your own setup with separate modules to create an ergonomic and safe workplace in any situation.
